*The Leave No Youth Behind is spreading like veld fire in all communities across the country- moving on with four pillars; **Go Mobilize! Go Educate! Go Register! Go Vote!** –; and fostering youth participation in policy making and participation as electoral candidates. The campaign is being driven by 10 Provincial Coordinators and District Conveners plus youth Advocates at community level. Currently, being supported by contributions from youth members- the campaign seeks to influence the participation of youth in national processes, the registration on 2 million youth for 2018 elections and at least 25 percent of electoral candidates being youth.*
